

Week 4

BSHARP@HOME

Supporting you to make music during the lockdown and beyond

Hello and welcome to B Sharp@Home music activities!

While we are not able to meet to make music together as a group, we will be sending you fun and easy ways to carry on making music and connecting together.

**Parents - please see here to give consent
for music and videos to be shared on social media.**

Send your emails with videos/audios of your music to
bsharp@home@bsharp.org.uk

We'd also like to know what you think of the newsletter and anything you'd like to see in it in the future. Enjoy...

Ellie's quick vocal warm up

Ellie has shared her quick 5 minute vocal warm up to help get your voice ready for some singing. Don't be afraid of making silly noises and pulling bizarre faces.

Jacques's bass/guitar tutorials

Here are three short videos looking at how you would approach writing/adding a bass line to music. You can even use a guitar if you don't have a bass....

Check out our Facebook and Instagram

Alongside our #Meetthemusicleader project, we are also starting a #Meetthetrainee project, where you can meet some of our amazing young trainee leaders, find out about who they are, what they do, and what music they play. Keep watching our Instagram and Facebook pages to see new videos.

Hannah's musical challenge

for Boombox, Axe Valley Rock n Pop Club and Bridport Jams Juniors

This week we will be using plastic bottles, water and your own breath to create a plastic bottle panpipe. The challenge is to make up your own theme tune to a show (TV or Radio).

You can use 2 or 3 bottles or you can use more, it's up to you. You can also include your voice either by speaking or singing. If not then that's fine too. Have fun and please don't forget to email in your recordings to bsharpathome@bsharp.org.uk
